Dear Paul

I am writing to thank you for your support of the work of the Sports Challenge Committee.

The Legends Football Match held prior to Showdown IV on Sunday August 9th would not be as successful as it is without the cooperation and assistance of people like yourself.

The combination of the Dinner and the Match continues to be a popular event which enables us to raise much needed funds for some very special children. This year our final total will be in excess of \$60,000 which will buy mobility aids and communication devices for these children.

Your participation was greatly appreciated not only by my Committee but by the public as well.

Once again many thanks.

Regards

**RUSSELL EBERT**
